Curriculum Vitae

KOIKE, Takayoshi

Nationality: Japanese

Born in June 20, 1953, Kobe City, Japan

Office: Department of Forest Science, Hokkaido University, Sapporo 060-8589

Tel: +81-11-706-3854,3651, Fax: +81-11-706-2517

e-mail: tkoike@for.agr.hokudai.ac.jp

Education:

1978, 3: Bsc: Lab. of Silviculture, Department of Forestry, Kyoto Prefecture University

1980, 3: Msc: Mater of Agricultural Science, Graduate School of Agricultural Science,
Nagoya University (in Forest Ecophysiology)

1981, 3: Leave-school from Graduate School of Agricultural Science, Nagoya
University

1987, 12: Doctor of Agricultural Science, Nagoya University (No. 292) (in Forest
Ecophysiology)

Occupation:

1981, 4: Research Officer, Forestry and Forest Products Research Institute Hokkaido
Research Center

1988, 5: Post Doctoral Fellow, Ecophysiology Research Group, Swiss Federal Institute
for Forestry Research, ETH, Birmensdorf ZH. Zurich, Switzerland (~1989,5)

1991, 1: Guest Researcher of the University of Joensuu, Department of Biology,
Finland,

1991, 9: Leader of Ecophysiological Lab. Forestry and Forest Products Research
Institute Hokkaido Research Center

1993, 4: Researcher, Special Project Member of Global Change, The University of
Tsukuba (~1997,3)

1994, 10: Associate Professor, Department of Environmental Resources Science, Tokyo
University of Agriculture and Technology

1995, 4: Associate Professor, United Graduate School of Agriculture, Tokyo University
of Agriculture and Technology

1996, 4: Professor of Forest Ecophysiology, Hokkaido University Forests
Concurrent Professor of Graduate School of Agriculture, Hokkaido University

1998, 3: Guest Professor of Graduate School of Life and Environmental Science, The
University of Tsukuba

1999, 4: Part-time Researcher of the National Institute of Environmental Studies

2001. 6: Guest Professor of the Forest Plant Ecology, Key Lab. Northeast Forestry
University, China

2005, 4: Concurrent Professor of Graduate School of Environmental Science, Hokkaido
University

2006, 4: Professor of Silviculture and Forest Ecology, Research Faculty of Agriculture,
And Department of Forest Science, Hokkaido University

Part-time Professor

- 1997, 4: Graduate School of Bio-Resources, Mie University
Graduate School of Life and Agriculture Science, The University of Tokyo
(~2005.12)
- 1998,12: Graduate School of Science, Tokyo Metropolitan University
Graduate School of Forest Resources, Shizuoka University
- 1999, 4: Graduate School of Science, Kyoto University
- 2002, 4: Department of Environment and Natural Resources, Tokyo University of
Agriculture and Technology (Plant Physiological Ecology)(~2006,8)
- 2005, 9: Graduate School of Technology, Hokkaido Tokai University (Bio Technology)
- 2007, 6: Graduate School of Science, Kyushu University (Plant Physiology)
- 2007, 8: Department of Environment and Natural Resources, Tokyo University of
Agriculture and Technology (Bio Resources)
- 2008, 8: Department of Environment and Natural Resources, Tokyo University of
Agriculture and Technology (Ecophysiological of Trees)

Awards and license

- 1985: NPA and CSC of Japanese Government
- 2004: Excellent teacher Award for Chinese students by Chinese Ministry of Education
- 2004: Contribution award to Air pollution Congress at Tsukuba
- 2006: Excellent Research Award in Japanese Forest Society
- 2006: Excellent Research Award in the Association of Japanese Forest Technology

Review board

- Tree Physiology (1999, 2005-2007), Eurasian Journal of Forest Research (2000-),
FOSNOLA (WSL: Switzerland: 2005-), Journal of Forest Research (2002-2003), Journal
of Forest Health (2003-), Journal of Plant Research (1996-1999), Bulletin of Botanical
Research (China: 2005-), Northern Forestry (1988-).
JSPS review board (1999, 2002, 2006,7)

Council member

- Japanese Forest Society, Hokkaido Branch,
Hokkaido Forest Tree Breeding Association
Science Council of Japan (Research member of Forest eco-hydrology)

Publication list (in English) is referred to KoikeEngPub
